

Church Team Onboarding

Step 1 — Accept Invitation

Team member receives an invitation from the church.

Step 2 — Create Profile

Basic information:

- Name
- Role
- Ministry
- Contact information

Step 3 — Choose Responsibilities

Examples:

- Welcome new people
- Follow up with members
- Manage groups
- Make introductions
- Review community health

Step 4 — Set Permissions

GathUr only gives them access to what they need.

Examples:

- Pastor — broader church insights
- Group leader — their group
- Connections team — people needing follow-up

Step 5 — Learn the Dashboard

Short walkthrough:

- People who need connection
- Recommended actions
- Groups

- Follow-ups

Step 6 — Complete First Action

GathUr immediately gives them something useful to do.

Example:

“3 new attendees need a personal welcome.”

Step 7 — Start Helping People Connect

Team member enters their personalized dashboard.

Team Flow:

Accept Invite → Create Profile → Choose Responsibilities → Set Access → Learn Dashboard
→ Complete First Action → Start Connecting People
